

April 30

Dear Parishioners:

The year keeps plugging away, another month down. It is still hard to believe that last year at this time, we were not able to have the public celebration of Mass. Now, we are slowly, ever so slowly, crawling back to some level of normalcy, at least I hope. Last weekend was our first with the revised seating arrangements, please give any feedback over this process. We are trying to balance out a number of different factors and your feedback helps us to know if we are landing in the right area or if we need to tweak further.

This past Wednesday evening, our Confirmation Candidates received the Sacrament at a lovely event at the Cathedral Basilica of St. Peter in Chains. Thank you for the prayers and support of our young people during this time.

It is great that we are able to celebrate the Parish Picnic at Stricker's Grove again this year. Please see the bulletin for more details in the coming weeks.

Planning continues on the transition front, and prayers are certainly appreciated!

Lastly, next week, I am called to report for Jury Duty. While I remain hopeful that I will not be placed on a jury, I may still have to report multiple days. Therefore, the normally scheduled morning Masses may be replaced by Liturgy of the Word with the distribution of Holy Communion.

Prayers continue for you and know of my esteem for you all!

God Bless

Fr. Kyle Schnippel
